Aims and objectives

Cheriton Dental Practice has been a family dental practice for the last fifty years.

It offers the full range of both NHS and private dentistry as well as Private orthodontic treatment for children and adults by a specialist in orthodontics.

The staff team is made up of one principal dentist, five associate dentists, one Therapist, one Hygienist and eight support staff. Most of the staff have been there for between 10 – 30 years, and there is a pleasant family atmosphere.
